

Tianjin University of Technology and Education

Graduate Programs for International Students 2026

Tianjin University of Technology and Education (TUTE), founded in 1979, is one of the first normal universities focusing on cultivating teachers for vocational schools in China. TUTE sticks to the educational philosophy of “Hand and Mind, All-round Development”. It has cultivated high-quality vocational teachers and application-oriented senior professionals. TUTE built first-class education, and won one national special prize for teaching achievements and two first prizes for national teaching achievements. To deepen the reform, innovate the model, form a full-level vocational education teacher training system of bachelor's degree, master's degree and doctoral degree, and cultivate the first batch of "double-qualified" undergraduate, master's degree and doctor's degree in China. TUTE is co-constructed by Ministry of Education, Ministry of Human Resources and Social Security and Tianjin Municipal Government.

The transportation around TUTE is very convenient, with bus stations, subway stations around. It takes 30 minutes from TUTE to Tianjin Railway Station, or Tianjin West Railway Station by subway or bus, and 20 minutes to Tianjin Binhai Airport by taxi. Also, it only takes 30 minutes by intercity between Tianjin and Beijing, the capital of China.

In 2026, TUTE will offer 20 master's and 1 doctoral programs for international students, including 5 master's and 1 doctoral programs that can provide English taught programs.

1. Eligibility Requirements

(1) The applicant must be a Non-Chinese citizen. For those who were originally Chinese citizens but later acquired foreign nationality, they must comply with the provisions of the Ministry of Education's Document No. [2020] 12;

(2) International graduate students applying for a master's degree must hold a bachelor's degree or equivalent, and generally not exceed the age of 35. International graduate students pursuing a doctoral degree must hold a master's degree or equivalent, and generally engage in vocational education with an age not exceeding 40 years old;

(3) Applicants applying for Chinese-instructed program should have a minimum Chinese proficiency level of HSK Level 5. Applicants for English- instructed programs should come from countries where English is the native or official language, or have graduated from English major, or have an English level equivalent

to IELTS 5.5, TOEFL 80 or above;

(4) Applicants should have no criminal record, comply with Chinese laws, regulations, and school discipline, respect the customs and habits of the Chinese people, and be knowledgeable and friendly towards China.

2. Application Period

December 20, 2025- June 30, 2026

(The scholarship quota is limited, and students applying for scholarships must submit their applications according to the scholarship project regulations. Please refer to the "Scholarship Project Application Methods" for details.)

3. Major of Enrollment

The full list of programs available for international graduate students can be found in the 《Catalog of Graduate Programs 2026》 .

4. Required Documents

(1) Personal information page of ordinary passport valid until September 1, 2026 or later;

***Once admitted, passport information cannot be modified until the completion of enrollment registration;**

(2) The highest degree certificate after notarization, and fresh graduates need to submit a certificate of expected graduation issued by their school of study. Notarized Chinese or English translations are also required for texts other than Chinese and English;

(3) Transcripts of all courses at the highest educational level, with notarized Chinese or English translations required for texts other than Chinese and English;

(4) Language qualification certificates. Applicants for Chinese-taught programs must submit valid HSK reports in accordance with the corresponding Chinese proficiency requirements. Applicants for English language-taught programs shall provide relevant language proficiency certificates according to the universities' requirements, like IELTS or TOFEL report;

(5) Photocopy of Foreigner Physical Examination Form, completed in English (the original copy shall be kept by the applicant, which could be downloaded from <https://gjilc.tute.edu.cn>). The form is designed by the Chinese quarantine authority and can be obtained from the dispatching authority. The physical examinations must cover all the items listed in the Foreigner Physical Examination Form. Incomplete records or those without the signature of the attending physician, the official stamp of the hospital, or a sealed photograph of the applicants are invalid. Please select the appropriate time to take a physical examination as the result is valid for only 6 months. Please choose a suitable time for the physical examination;

(6) Non-criminal record certificate. The applicant shall submit a valid certificate of

non-criminal record issued by the local public security authority, usually issued within 6 months prior to the submission date of the application;

(7) Recommendation letters from two professors or associate professors should be submitted in Chinese or English only (please attach your personal signature and contact information). The contents should mainly include the requirements of the applicant's study objectives in China, the cooperation between the Chinese university or the Chinese tutor and the foreign tutor or the inter university exchange, as well as the evaluation of the student's comprehensive ability and future development;

(8) A study plan proposal. A study plan written in Chinese or English shall contain more than 1,000 characters or words.

Special reminder: All documents must be in Chinese or English. Applications with incomplete documentation will not be processed. During the review process, TUTE may require applicants to submit supplementary materials according to their needs. Please ensure that the information filled in is true and valid, and be sure to fill in your email and contact phone number. The uploaded materials must be complete and accurate.

5. Application Procedure

(1) Fill in and submit the online application

The applicant should log in to the International Student Service Platform of TUTE within the prescribed time frame

(<https://tute.at0086.cn/StuApplication/Login.aspx>) Register, fill in information, and complete the application materials upload.

(2) Material review and assessment review

TUTE reviews the applicant's materials. After passing the material review, the applicant needs to participate in the assessment organized by the applying college, which mainly includes the applicant's language proficiency and comprehensive quality ability.

(3) Applicants may access timely the International Student Service Platform of TUTE (<https://tute.at0086.cn/StuApplication/Login.aspx>) Check the application status.

6. Scholarship Program

(1) Chinese Government Scholarship (Type B)

Applicants need to submit the application through China Scholarship Council (<http://www.csc.edu.cn/laihua/>). Our Agency Number is 10066 and please choose Type B. After finishing the application, applicants need to download the scholarship application form and submit it to the International Student Service Platform of TUTE within the prescribed time frame

(<https://tute.at0086.cn/StuApplication/Login.aspx>) . Application period:
December 20, 2025 to March 10, 2026.

(2) Tianjin Government Scholarship

Applicants for the program must log in to the International Student Service Platform of TUTE within the prescribed time

(<https://tute.at0086.cn/StuApplication/Login.aspx>) Apply online. Applicants who are pre admitted through assessment are eligible to be nominated for the Tianjin Government Scholarship, and the scholarship level is determined based on the comprehensive assessment of TUTE.

The quota, amount, selection criteria, and final results of all scholarship programs shall be subject to the final decision of TUTE and relevant scholarship authorities. TUTE has the right to adjust the scholarship system based on the actual situation of the year.

***The above scholarship information is for reference only. Specific matters shall be implemented in accordance with the latest national and school regulations.**

7. Visa and Enrollment

Admission Notice and Required Visa Documentation will be issued starting from July 2026. Admitted students must bring their ordinary passport, Admission Notice, Visa Application for Study in China (JW201/202 Form), and other required documents to the Chinese embassy or consulate in their home country to apply for an X1 visa. Within 30 days of arrival in China, students must convert their X1 visa into a student residence permit.

Please note that specific dates and arrangements are subject to the instructions in the Admission Notice. During registration, the university will verify students' personal information and documents. Any violation of regulations or identification of fraudulent materials will result in immediate revocation of admission eligibility.

8. Fees

- (1) Registration fee: 400 RMB;
- (2) Tuition: Please check the Program Catalog;
- (3) Accommodation: 70 RMB /person/day (single room); 35 RMB /person/day (double room);
- (4) Medical insurance: 800 RMB /person/year. According to relevant regulations of the Ministry of Education, international students must purchase comprehensive medical insurance for international students during their stay in China. Self-funded international students need to purchase insurance on their own before registering and reporting (Study Abroad Insurance website: <http://www.lxbx.net/>) ;
- (5) Textbook fee: charged according to the actual situation

9. Other

(1) During the process of reviewing student application materials, TUTE will require some applicants to provide written original/notarized copies of the application materials or certification documents issued by designated certification agencies for further verification. Applicants should ensure the authenticity and accuracy of the application information and materials provided, otherwise their admission eligibility will be cancelled;

(2) After all types of students come to China, they are generally not allowed to change their majors and study periods arbitrarily;

(3) Students who cannot come to China for study within the admission period will not have their admission qualifications reserved in principle;

(4) Admitted students must bring the original application materials upon registration (those who provide pre graduation certificates must bring the original formal graduation certificate) for on-site inspection;

(5) Regarding the application for various scholarships for studying in China, please contact the university directly.
